

## **BIRMINGHAM CATHOLIC SCHOOLS SPORTS ASSOCIATION**

Dear Colleagues

### **BILL MCCARTHY MEMORIAL GAMES - ATHLETICS 2025** **On Monday 30<sup>th</sup> June 2025 – 1.00pm – 4:00pm**

I look forward to seeing you at the Alexander Stadium. Please report to the tent when you arrive, and let us know who is volunteering (confirm, as I know things can change last minute).

Any volunteers need to be in the central area for the relays and sprints first, before the field events start.

**The sports will commence at 1.00 pm promptly. So please arrive before to register with us.**

We respectfully remind teachers, that the code of conduct for parents and children attending needs to be given to them and explained beforehand. Schools are responsible for keeping parents and children off the track at all times.

We would appreciate it if all teachers ensure that parents attending enter through the correct entrance and sit together as a school.

- Please do not sit in the seats behind the start area, because if it is raining, this is where we sort the children into their lanes.
- Also, the lanes just passed the finish line maybe used to hold finalist for the sprints, so we don't need to call them back.

### **Questions & Queries.**

**If your school has any questions on the night, a teacher needs to come forward, professionally. Do not send any parents or helpers that are not employed by your school to deal with a problem.**

Admission is free.

**Lane information will be given out on the night. Then this will be your school lane for all heats. Lanes would only change for each final.**

Any queries regarding the information attached, please contact Laurie-Anne Kennedy on [bcssasportsinfo@gmail.com](mailto:bcssasportsinfo@gmail.com)

Yours sincerely,  
*Lamkennedy*
